National Public Works Week is May 21-27, 2023

City of Morgan Hill hosts event to showcase Public Works Team and Projects

Morgan Hill, CA, May 3, 2023 – National Public Works Week is May 21-27, 2023. This year's theme is "Connecting the World Through Public Works". National Public Works Week highlights the important work that public works professionals do to improve quality of life for communities throughout the country. Public works professionals connect us through infrastructure and service to their communities, whether as first responders, or daily workers carrying out their duties with pride.

"We are thankful to our Public Works professionals for their continued dedication to providing the Morgan Hill community with top service and professionalism," said Chris Ghione, Public Services Director. "We are excited for the opportunity to showcase the team, their equipment, and upcoming projects with the community as we celebrate National Public Works Week!"

To celebrate, the City of Morgan Hill's Public Services team is inviting the community to learn more about the equipment and team that keeps our City running! Visit the Morgan Hill Corporation Yard on Thursday, May 25, 2023 from 9:30 am to 11:30 am to get up close to equipment used to keep the City running, view demonstrations on how the utility systems work in Morgan Hill, meet City Public Works personnel, and get updates on upcoming public works projects. Parking for the event is available at Morgan Hill Community Park, near the Magical Bridge Playground.

The City of Morgan Hill's Public Services Department includes the Utilities, Maintenance, and Engineering Divisions. Projects in these divisions include services that improve and operate the City's infrastructure, including, providing water, and wastewater services to the community, maintaining roads, parks, trails and buildings, as well as constructing new infrastructure for the City. The personnel in these divisions are responsible for all the day to day work that keeps our infrastructure and community safe. Learn more about the City of Morgan Hill's Public Services Department, visit our website at www.morganhill.ca.gov/1058/Public-Services.
